Hi Mr. Patten,

There are over 500 unemployed Stoughton locals who are among the 10,000 unemployed people in Dane county. In an attempt to lower these numbers, many companies and organizations are hosting career fairs and events to promote their openings and offer beneficial information about their company.

ALDI Inc. in Stoughton, WI is holding a hiring event on Wednesday, December 8, 2021. This will give potential employees the opportunity to meet with the executive team members of the company and allow interviews to be held on the spot. They are hiring for many positions, both part-time and full-time.

I read your article on the Walmart hiring event last May. This event will be similar. I was impressed by your work; I believe that you would be the best reporter for this task.

If you have any questions or would like to cover this story, feel free to email me back at sgrieser17@gmail.com or contact me by phone, at (608)-501-7462.

Thank you for your time. I look forward to hearing from you.

Best regards,
