Journalism For The Web

17 Oct. 2025

Heated tensions at a recent Major League Baseball game led to the loss of employment for one fan. During the game on October 4th, 2025 a Brewers fan made a remark about calling ICE toward a Latino Dodgers fan sitting nearby who happen to catch the ordeal on camera. The video was shared and later resulted in job loss and no longer being able to attend Brewers events. This situation leads to questions about the implications situations like this have on our society.
